Dear Parents, Carers, Families & Friends,

It has been a lovely week back after the half term holiday, the children have settled very quickly back into learning and are all trying very hard. The resilience & obvious love of learning that your children have, is always so inspirational to me!

I'm sorry to have to share some disappointing news with you all though. I'm sad to say that I have had a couple of conversations with our neighbours who have been very upset by the parking outside their houses. On Monday, one of you parked on the drop kerb of one of our neighbours preventing him from getting to work on time. Someone else parked in the cul-de-sac area but instead of parking in one of the obvious parking spaces, blocked across someone's car – stopping her from getting to work on time. This person was then incredibly rude to our neighbour. I find this shameful behaviour to be perfectly honest with you, and it goes against EVERYTHING we teach your children in school. You are letting all the children (and parents) at Haseltine down by behaving in this selfish way. I do have the number plates of both cars and I will be working with our neighbours to ensure it doesn't happen again. Thank you so much to ALL our parents who always park with care and consideration for others.

On a more positive note – don't forget about our Family Fun Day in Mayow Park tomorrow from 12 to 4. The weather looks fine so it should be a great day, we can also celebrate the Queen's birthday! Please be aware that this is an event for families – you will be responsible for your children that day. I look forward to seeing you all there (I do have to pop off to take my daughter to a party and pick her up again!),

Kind regards,

Sara Anderman
