12th February 2016

0208 778 6536

Dear Parents, Carers, Families & Friends,

I want to thank you all for what has been a lovely week. The teachers have all really enjoyed their meetings with you and I know that there are many, many proud parents around the school right now – and so you should feel this way; your children have been trying really hard in their learning. We have had quite a few visitors to the school over the last week and they have all said what fantastic learners your children are.

Thank you also for filling in the questionnaires and returning them to us. We really do find them very useful indeed. We are always looking at how we can improve and we do take on board your suggestions. The results of the survey also form part of our end of year review during the summer term – so your comments really do impact on our development. Don't forget also that I set an Initiative Competition – I have already had some great ideas coming through to me. This competition will close just after half term.

Have a lovely week next week – we look forward to seeing you all on the 22nd,

Best wishes,

Sara Anderman

Half Term

Don't forget that there is no school next week as it is our half term holiday. We return back to school on **Monday 22nd February**.

The Easter Holidays are from Friday 25th March (we break up on the Thursday – the Friday is Good Friday). We return to school on Monday 11th April.

Please make sure that you are taking holidays during these times as we will **NOT** authorise any holidays during term time.

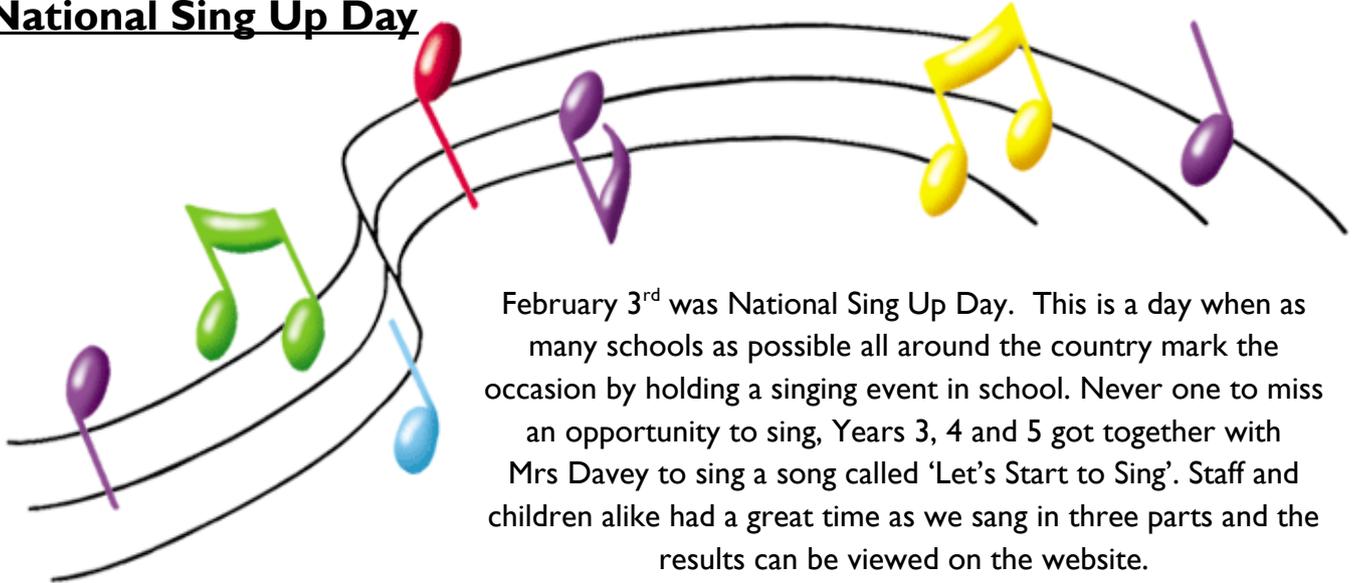

Friends of Haseltine

A number of parents have expressed a wish to become more involved with helping to organise fundraising & community events across the school. I just want to thank all of you for doing this – we really do appreciate all of you for your interest; I know that you all will do an amazing job with this.

We really want more of you to get involved so please, if you feel that you can spare some time speak to someone in The Hub about doing so.

We are also going to be having a meeting on **Monday 22nd February at 2pm** with the children from Pupil Parliament who have already started work on planning the Summer Fair. Please come along to this to find out more about how you can help.

National Sing Up Day

February 3rd was National Sing Up Day. This is a day when as many schools as possible all around the country mark the occasion by holding a singing event in school. Never one to miss an opportunity to sing, Years 3, 4 and 5 got together with Mrs Davey to sing a song called 'Let's Start to Sing'. Staff and children alike had a great time as we sang in three parts and the results can be viewed on the website.

Food Tasting

Harrison, our lunchtime caterers, will be having a food tasting event in the playground on

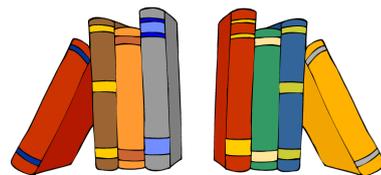

Thursday 25th February at 3.15pm.

Come and sample the delicious food on offer to your children

Haseltine Library

Please HELP!

Please can you all have a good look at home for any books that belong to Haseltine Library as we are missing a LOT!

We spent a lot of money on new books at the start of this year and our library looked really healthy in September. It now looks very sad, as there are so few books in it.

Please check under beds and behind sofas and return anything that you find as soon as possible. You may also find books that belong to our book corners.

Please bring those back into classes too.

Many thanks from everyone at Haseltine.
