11th November 2016

0208 778 6536

Dear Parents, Carers, Families & Friends,

It has been so lovely this week seeing all of you during our Open Evenings on Tuesday & Wednesday. These meetings really are so useful for everyone involved – especially for your children. It is so important when we all work together as a team.

I was sad, however, that our school was left in such a mess on Tuesday evening. It should not be down to our premises team to clear up after you and your children at the end of a long day. They shouldn't have to clean the toilets (which were left in a real state), pick up sweet wrappers/drink cartons or tidy the library after you all leave. I am very proud of the way this building looks and I want it to be right for all of us – during any after school events I would hope that you all felt the same way too and helped us to keep it looking lovely.

We all took part in the one-minute silence today for Remembrance Day. Your children were very mature in their thoughts.

Many thanks,

Sara Anderman

## The Haseltine Website

Just to let you all know that we have a new Haseltine website – check it out! Please come and share your thoughts about it with me.

We want to be able to email you relevant information about the school through the website. We can do this by using the email addresses that you will have given the office. If you have changed your email address or if you don't think that the office has your email address, then please make sure that we have it.

## British Values

The British Values display has now been started in the bottom corridor, please come and have a look at it. We also need more views from families – we only have 4 families' views so far. Please share your views on what British Values mean to your family on a piece of paper and pass on to me (Sara Anderman) – come and look at the tree for some ideas.

## Haseltine's Grammar Challenge

In our assembly this Monday, I set the children a challenge. We are all going to try and improve our spoken grammar! We are also going to help each other with this and there will be times when we will correct each other. Children are going to correct the adults too! Watch out for this at home – they may well try and correct you too!

(I have explained to the children that I do not want to change people's accents; it's solely about using the correct grammar when we speak. Therefore, no more 'innit', 'ain't', 'we was', 'we done' etc.!)

## Change of weather!!!!

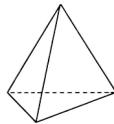

With the weather now on the turn it is really important children start bringing warmer clothing for PE. Put away the shorts and get out longer **tracksuit bottoms** please. Keep bringing PE t-shirts as well as a **jumper**.

Please also remind children to bring in their **coats** to school for break times.

On Monday, pupils found out about the Festival of Triangles event which will be taking place after school on Wednesday 30<sup>th</sup> November. They have since been designing their own triangles and searching for triangles lurking around the school! I would like to invite all of our families and friends to join this special celebration.

The theme for our maths celebration is **Triangles**. During the event, there will be a range of triangular themed activities, and food, for all our families to come and try. There is also the aim that with the help from our Haseltine community, we will be able to create a whole school, life size Tetrahedron!

Mrs Booker

Maths Leader

A big thank you to **Tairell** in **1M** and **Ramona** in **2E** for sending in your Triangle photos!

Keep them coming by sending them to [Festivaloftriangles@gmail.com](mailto:Festivaloftriangles@gmail.com)

Thank you for helping us raise  
**£358.03** on own clothes day.  
£179.03 will go to Macmillan  
Cancer Support and £179.00 to  
Water Aid.

**Thank you**

**We have lots of lost property  
at the moment, please check  
to see if any of it is yours. The  
lost property is on the decking  
outside the Hub.**
