Dear Parents, Carers, Families & Friends,

Well done to the KS2 choir who performed so well at The Royal Festival Hall yesterday. They had a tricky song to sing and they did an admirable job – brilliant everyone and thank you so much to Ms Davey and the other adults that supported with this late night trip (and for supporting with the rehearsal trip too).

The year 2s also had a great trip out this week to the seaside at Joss Bay – thank you again to all the adults who came on this trip.

We really rely on you to help us with the trips and we really do appreciate you giving up your time, we absolutely cannot do these trips without you. Thank you.

This week in assembly we spoke about the fact that when we play 'Old Town Road' in the playground everyone comes together and sings and dances together happily. We spoke about things we can all do to come together as a Haseltine community or family, and the children came up with some great ideas including:

Speaking kindly with each other

Being friendly

Helping each other

Looking after each other if we get hurt

Playing with someone different in the playground

Listening to each other

Having more empathy for each other

Respecting each other

Avoiding arguments

And playing Old Town Road on a loop throughout the day

I'm not sure how I felt about the last one but great thoughts nevertheless!

Thank you so much to those of you who have completed the Haseltine Survey Monkey online. We really are grateful for the feedback you give us – this helps to evaluate what we are doing now and to plan for next year. For those who haven't yet done it (most of you because only 27 of you have done it!), please follow the link on the homepage of our website. It takes less than 2 minutes of your time and it does really help us.

Can I also say that if you ever have serious concerns about Haseltine or how we come across to you, please, please come and talk with me – I hate the thought of any of you, or your children, being unhappy with us. We have just three weeks and two days of this school year left and I would like to make it a good end for you all.

## SWEETS

It is really important that your children are not bringing sweets to school. If we find them, we will take them off your child so please can you make sure that none are brought in. We are trying to be a healthy school and wish to discourage so much sugar being consumed on a daily basis. The yr6s, who are passionate about Plastic Pollution, would also urge you to not bring plastic wrappers into school.

### Lost Coat

Delarno in Yr4 has lost his jacket. It is a black, Nike, puffer jacket and it has his name on it. Please can you all check that it hasn't come home to you by mistake and return it to Miss Leslie or Mrs Parker in 4L (or to me). Many thanks.

### Reports and new classes

Just to remind you that your child's school report will be coming out on Friday 12<sup>th</sup> July. You will also find out your child's new teacher on this day. You will then have the opportunity to discuss this report, should you wish to, on Monday 15<sup>th</sup> July 3.45-5pm with your child's current teacher. You can also pop along to meet your child's new teacher at this event too.

### Year 5 Parents

The secondary transfer information evening is Thursday 4th July 2019 5—6 pm. If you need information about applying for secondary school in September please come along

### Late Arrivals

Please ensure you come to the office with your child and book them in as a late arrival. If your child comes alone please remind them to book in!!!!

### Haseltine Family picnic

A great way of bringing The Haseltine Community together is through our Family Picnic on Saturday 13<sup>th</sup> July from 12pm to 3ish in Mayow Park.

We are asking every family to bring along a dish of food that they would like to share with everyone. This dish can be one that is traditional to your family or to your culture, or just one that you all really love.

I would then recommend that you also bring along a picnic for you to share with your family and a plate each to sample the foods on offer. I highly recommend a big plate as there have been some very delicious dishes in the past!

I have just found out that my daughter is in a singing concert on the same day so we shall be along as soon as we can.

We try to get the area by the play park bit and this is fenced off – just to warn you in case you were thinking of bringing a dog (they aren't allowed in this part).

We really hope to see lots of you there, if you have any questions please just ask me, Emma Bird or any of our volunteers in The Hub.

## Closure Dates

### INSET Day

Don't forget that there is no school next Friday – the 5<sup>th</sup> July, as we have our last INSET day of the year.

### Nursery

Nursery is closed to all children on the 3rd July 2019.
